## Space One Plus

### Dimensions

25.6 sqm

Gross square meterage

8000 x 3200 x 3000 mm

External area (est. L x W x H)

7200 x 3000 x 2600 mm

Internal area (est. L x W x H)

600 mm

Canopy deck length (est. L)

### Technology

10.1-inch

Touchscreen control panel

Customizable ambient lighting

Weather forecast

Space Scenes

Music streaming and audio playback +

Solar overview and energy controls +

### Structure

Precision-engineered light-gauge steel frame

Next-generation Space architecture

Corrugated steel roof panels with angled pitch

Spacious undercover deck

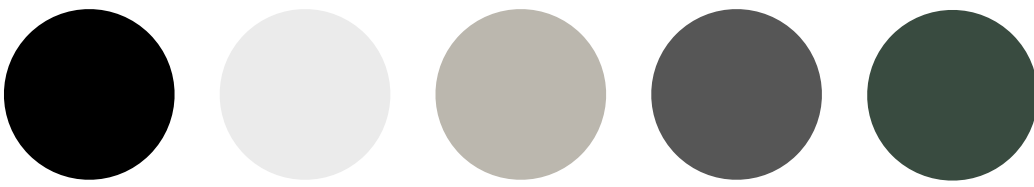

Signature canopy strip lighting

Durable composite timber external wall cladding

Architectural steel paneling on facade

Galvanized steel floor system

## Space One
